

Vendor Promotions Page

We appreciate your participation in Perry Hall High School PTSA's Winter Arts & Crafts Fair on December 3, 2023. As in the past, we will be advertising our fundraiser throughout the community with posters, signs and calendar listings as well as online via a combination of ads, email blasts, and social media posts. We invite and encourage you to support us in our efforts to spread the word and generate a huge shopping public for our event. On these pages you will find assorted promotional tools available for you to use. Included are flyer options you can print, email banners, and ads suitable for posting on Facebook and other social media. Each image is labeled as to what it is. Click on the image and it will expand to its true size. For PDF files, you can print the file or save it to your computer. For JPG images, click on the image to open it. Then, right click on it with your mouse and choose "save" to download the image to your computer. You will then have it to upload to social media or add to your email.
